

Stop to Smell the Roses

The Girl in Slow Motion Activity

Sometimes we need to slow down and appreciate the little things we have in our life.

Each rose petal represents something you are thankful for, either something about yourself or in your life.

Instructions:

- 1) Print and cut each rose petal (page 2).
- 2) Colour the rose petals on the opposite side of the numbers.
- 3) On each petal, write something you are thankful for. It can be something about yourself, or in your life. If you need some ideas, feel free to use the word bank.
- 4) Complete your puzzle by pasting the pieces back together starting with number 1 and continuously adding the petals in behind the other (if you are not a fan of cut and paste – page 3 is a completed rose that can be coloured and completed).

EXTRA – Complete a rose for someone with all the things you are thankful for about them.
